Regional Homestay Manager (RHM)

Students are appointed a local contact person for the duration of their exchange. The initial role of this person is to source a suitable host family for each student. Once placed in a homestay the RHM then provides pastoral care, overseeing the welfare of the student(s) in addition to maintaining regular contact with both the host family and school. It is important to remember that these students are teenagers and as such, may occasionally need guidance and advice. The students are bound by strict rules and regulations. The role also includes providing a brief monthly report, which is sent to our overseas affiliate and then on to natural parents. This is a wonderful way of meeting not only students from different nationalities but also forming friendships with kiwi host families. If you feel you are the right person for this role [please click on the RHM form.....](#)
